Dear Dr. Lindsay:

As you know, during the course of its meeting of January 15 - 16, 1988, the Board of Osteopathic Examiners met with you to review the terms of your probation to determine compliance.

The terms of your probation were amended to reduce the number of required meetings to at least 3 per week; lifted the restriction of hours of practice per week; and lifted the restriction on prescribing controlled substances in order for you to apply for an unrestricted BNDD number. You agreed, however, to only write for Schedule II controlled substances in the hospital. All other terms of probation remain the same.

You will be notified at a later date of the time and place of your next review before the Board during their meeting of July 22nd-23rd, 1988.

If you have any questions, please feel free to call me.

Sincerely,

Mary L. Tucker
Executive Director
